

Florida District Junior Civitan

What's the
TRUTH?

Someone who is
**talking on the
phone** while driving
is **FOUR TIMES** more
likely to get in a car
accident than
someone who has
100% focus on the
road. *THAT'S THE
SAME AS DRIVING DRUNK!*

Be a NO
PHONE Driver

***Focus** on the Road!* ®

Someone who is **texting** while driving is **EIGHT TIMES** more likely to get
in a car accident.

IS THAT CALL OR TEXT WORTH SOMEONE'S LIFE?

Texting / Talking on the phone while driving is a BAD habit that many of
us possess. Today, we are asking you to make a change. Please visit

www.FloridaJuniorCivitan.org

to take the pledge to become a NO PHONE DRIVER!
